

## Women's Camp - Piercy, CA January 3 – 6, 2008

Welcome to the 5th Annual Piercy Women's Camp in the Ancient Redwoods of Northern California. This year our theme is "**Activate Your Prosperity!**"

We sincerely invite you to enter this sacred circle of women and explore the beauty of being you. Nothing in this world will make sense if you do not live your intention. You may ask, "How?" The very first step is to quiet the inner chatter of the mind and deeply listen to your inner voice. When you do so, the impossible will become possible, connecting you with the power of your total Creativity.

This coming year of 2008, according to Numerology, embodies the number 10. The number ten relates to our Radiant Body which gives you spiritual royalty, nobility, and radiance. The energy of 2008 can awaken the blessing to exert a magnetic presence and command the respect of all who know you.

This Piercy Women's Camp program will focus on developing your Radiant Body so blessings and prosperity can run to YOU!

Come and activate your innate power of abundance. Experience the joy of this sisterhood, practice some deep transforming Kundalini Yoga, chant with open hearts, and awaken our creative sensitivity of life. Please also invite your daughters, sisters, mothers, relatives or friends to attend this Women's Camp. Our personal frequency does impact our communities and the globe.

Start 2008 with radiance and prosperity! Sat Nam.

*“If you are poor and you are miserable and you are not well, the reason is that you do not bring your subtle beauty out. “Make-up” beauty, and “set-up” beauty is not the beauty which attracts wealth and prosperity. It is the subtle beauty which attracts wealth and prosperity. It is the subtle beauty which is always in you till death. When that starts flowing, then God starts working for you. Do you understand?”*
